**If you have questions or concerns that you do not feel that the posted manufacturers information (2 pages) has adequately addressed, we urge you not to buy this product.**

**We believe this product to be safe, based on provided manufacturer information. The Kirk Company is reputable in the Christmas tree industry.**

**Note: We do believe that the tree baling process will cause some colorant to flake from the foliage. When opening the baled tree, this flaked colorant is likely to fall on the floor.**

**Wyckoff's Christmas Tree Farm, LLC will not be liable for any issue(s) arising from the use of this product.**

**If you have any concerns about this product, we urge you not to buy it.**
